

Dear Participants,

We kindly request all attendees to adhere to the dress code of formal-casual attire during the conference sessions.

For the Gala Dinner, we extend a warm invitation to embrace the rich cultural diversity of our international gathering by wearing your national or traditional costume. This provides a splendid opportunity to showcase the beautiful heritage of our respective countries and celebrate our unity through diversity.

We look forward to witnessing the vibrant tapestry of cultures represented at the Gala Dinner and creating cherished memories together.

Thank you for your understanding and cooperation.

Best regards, 6th AONS Conference Committee
